Dear Parishioners:

Every year on the first Sunday in October our parish has conducted its annual collection. This collection has been an integral part of the financial support our parish depends on every year. It has provided a reserve fund for both anticipated and unanticipated needs and for capital repairs.

As part of our 50th Anniversary celebration we are planning to refurbish the sanctuary furnishings and other improvements to the nave of the church. These and other capital improvements will be addressed by our Annual Collection. As you know many projects have been completed at a cost of over one million dollars during the last few years. All of this has been funded by our annual collection.

This collection gives all of us the opportunity to contribute to the welfare of our parish community and enables all who for whatever reason have been unable to contribute regularly to share in the commitment of our parish to provide for its spiritual needs. This ensures us that we will always have a fitting place to celebrate the blessed events of the sacraments and to spiritually commend our loved ones to the Lord through the Rite of Christian Burial.

The annual collection will be taken up the weekend of October 6th & 7th. Last year our goal was \$100,000 and I am happy to say that we were able to meet that goal. The demonstrated generosity of our parish to past collections enables me to be confident that we will once again meet this \$100,000 goal. The Finance Council joins me in inviting your support by using the enclosed envelope or the one included in our parish support envelope system. You may return your envelope in the collection basket or mail it to the rectory. Checks should be made out to: The Church of the Incarnation. While the collection will be taken up the weekend of October 6th & 7th donations will be gratefully received through the end of the year. With gratitude for your continued generous support of our parish and asking God's continued blessing on us all, I am,

Sincerely yours in Christ,

Reverend James M. Moran
